APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions:

This permit is issued subject to all prior rights on
the source. The State reserves the right to regulate the use of
the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed .005
or
cubic feet per second, sufficient to water 800 head of cattle.

Actual construction work shall begin on or before September 1, 1928

Proof of commencement of work shall be filed before October 1, 1928

Work must be prosecuted with reasonable diligence and be completed on or
before September 1, 1929

Proof of completion of work shall be filed before October 1, 1929

Application of water to beneficial use shall be made on or before

September 1, 1931. Proof of the application of water to beneficial
use must be filed with State Engineer on or before October 1, 1931.

WITNESS MY HAND AND SEAL this 21st day
of March, 1928.

Res. Malone
State Engineer.
